The Weight Room

The Weight Room offers a unique industrial-inspired event space that blends modern comfort with the character of a working brewery. Two large overhead garage doors create an open, airy atmosphere that flows seamlessly onto the patio and lawn, making the space ideal for gatherings in every season.

Inside, guests enjoy a 110-inch TV wall perfect for presentations, slideshows, sporting events, and special occasions. A massive glass viewing wall provides a behind-the-scenes look into the brewery, showcasing the craftsmanship and activity that make Round Man Brewing & Smokehouse unique.
